Unit seating capacity:	First Class:	24
	Standard Class:	239 (240 on unit 365537)
	Tip up:	0 (4 on unit 365537)

The Class 365 "Networker Express" fleet currently operates on outer-suburban commuter services between London King's Cross and Peterborough, Cambridge and King's Lynn. The current C6X overhaul also includes an interior refresh and targeted PRM TSI accessibility compliance modifications.

The fleet is also capable of operation on 750V DC electrified routes.
